Greatest Morning Tea For Freedom!

The Pen is Mightier than the Sword!

It's still true today, especially when it comes to contacting our MPs and Senators. Your single letter to a MP represents a percentage of your community's views and their voting preferences.

So, get together with your Freedom Besties, put the jug on and break out the pens!

This Guide is designed to help you craft personalised letters to your MP and Senator. Simply follow the guideline provided and use your own words to tell them how you feel about the issue at hand.

Why break out the pen and paper?

We live in an age of AI and bots that are the new gatekeepers of our MP's and Senator's offices. Your handwritten letter will bypass these gatekeepers, especially if you post it and request a signature on delivery. 😉

Steps for a successful morning tea

1) Invite the Besties over or pop along to your Freedom gathering where everyone can join in.
2) Ensure you have plenty of
    a. Paper and pens
    b. Stamps (yes, they are still available)
    c. Envelopes
    d. Supporting documents to verify your concerns.
3) Go through the 'How to Write a Letter' together along with the supporting information on the 'Letter Details' page for all the information needed.
4) Have your peeps bring a plate and take the opportunity to build communities and share hope and joy!
5) Have a ceremonial delivery, say a prayer to the 'Letter send-off', or just nominate someone to post the finished letters in the post box.
6) Wait for your responses and, when they come, why not get together again for a follow-up cuppa to discuss them? Maybe you can write responses to them together.

This is also a great way to break the campaign of fear and build your community moral, while standing firm against the injustices coming from our government. ***Happy writing!***
